

Liv Marte KRISTIANSEN NORDHAUG

Co-Lead, Digital Public Goods Alliance, Norwegian Agency for Development Cooperation (NORAD), Norway

Liv Marte Nordhaug serves as a Co-Lead of the Digital Public Goods Alliance (DPGA), an initiative that facilitates the discovery, financing and implementation of digital public goods. The DPGA is currently co-hosted by UNICEF, UNDP and the Norwegian Agency for Development Cooperation (Norad) and the secretariat for the DPGA stewards the Standard for digital public goods as an open standard that operationalizes the definition of digital public goods given by the UN Secretary-General in his 2020 Roadmap for Digital Cooperation. Prior to her work on establishing and co-leading the DPGA, Liv led Norad's Digital Empowerment Project. Read more about the DPGA at www.digitalpublicgoods.net.
